See you soon.**

We are starting our Embroidery Groups in September to December. Our groups are broken down by the hoop size that your machine takes – example 4x4 inch hoop, 5x7 or 6x10 and larger hoop sizes. The times are 10:00 am, 3:00 pm and 6:00 pm.

The groups are limited to 4 to a class and they meet once a month for about 2 hours a time. Each group decides what project they want to learn. We have limited space so call ASAP to reserve our spot.

Please come check out our NEW store. We moved down about 4 doors to a much larger space.
